Living N' Praise Ministry

Founder and director of LNP Ministry, David Taylor, started the group over 20 years ago alongside Les Rodriguez, who is still a part of the group today.

Through the years, LNP has been blessed with many opportunities. We have sung in churches, conventions, special events, radio shows, and live TV. Our purpose of singing has always been the same—to share the love of Jesus Christ through our music and to lead people to an encounter with their Lord and Savior.

LNP also consists of Sam Acosta (tenor vocalist) and two of David's three sons—Anthony Taylor (music director and baritone vocalist) and Christopher Taylor (bass vocalist), who both joined the group in December of 2021. Their addition to the group has made a big impact on LNP Ministry as well as on those who've had the opportunity to listen to them live.

If you've never been to an LNP concert, we invite you to join us and experience the power and conviction with which we sing and share our testimonies.

It is our desire to remind our listeners that regardless of what you've done in the past or whatever you are going through in life right now, God is waiting for you with open arms. We hope to see you at our next concert, and may the Lord bless you always.
